

Dear Community Business Leader(s),

The Island All-Stars specializes in competitive cheerleading for ages 3 to 18 with both males and females. The program was established in April of 2013 and our membership is continuously and rapidly growing. The Island All-Stars programs help to keep our children in school and out of trouble by establishing strong work ethic, core success values, and leadership skills. Unfortunately, the cost of competitive cheerleading includes uniforms, tuition, competitions, and travel which makes it very hard for some families to share in the joy of being a member of this highly respected sport and growing organization. Just last year, all-star cheerleading was added to the Olympics as a recognized sport and received provisional addition to the Olympic Games in 2028. We have a team that competed in the 2019 USASF World Championships, which is the first team in Clay County to represent our community there.

Island All-Stars is supported primarily by the parents of the students or the students themselves, as well as by the fundraisers we have during the season. Please consider Island All-Stars when determining where your contribution dollars will go. As listed below, we offer advertising for your business, which can be taken as business expense. Please complete the enclosed form and attach your donation. Make checks payable to Island All-Stars. If you have any questions, contact Island All-Stars at (904) 327-2337. Thank you in advance for taking part in this very special endeavor. Below, we have some ways to thank you for your support:
